TRANSFER REQUEST FORM

Under the Section 8 Housing Choice Voucher Program, families can move their assistance from one unit to another unit under certain conditions. **All of the following conditions are necessary for a transfer to be approved.**

- Notice to your landlord. You are required to provide proper notice to your landlord as spelled out in your lease agreement. If you do not give proper notice to your landlord, you may be liable for unpaid rent to the landlord and or be terminated from participation in the Section 8 program. Please remember that you are also required to immediately provide the Housing Authority with a copy of any notice given to you by your landlord.
- The first term of the lease has been satisfied. You must have lived in your current Section 8 assisted unit for the first term of the lease. However, if both you and your landlord voluntarily agree to terminate your lease before the end of a lease term, you may be able to transfer before the term ends.
- All money owed to any Housing Authority has been paid in full. All past due amounts must be paid in full before a transfer can be processed.

Also, please be aware that if you transfer, your voucher size will be re-determined in compliance with our current subsidy standards policy. **Your voucher size may be decreased.**
